Customer Reviews

I purchased this book for my hockey loving husband with some hesitation. Even though he's not a big reader, he loved it! There were stories from not only minor league hockey players, but some NHL players as well. What a great idea from *Chicken Soup*, thanks for giving my husband a reason to read more!

We read from this book each night and our young, hockey playing son loves it! The stories illustrate great values and offer important life lessons.

I read this book and it make me chuckle as I remembered my youth and hockey life. Full of very short stories that are easy to read and enjoy. The style is such that you never really know how earch story ends so it keeps you glued to the book. Sent another book to my Son to enjoy on his birthday.

Great hockey stories to read to your hockey champ before bed time.

I love reading all the stories in this book. Anyone who loves the sport of hockey will love this book.

Very great book! Definitely a good read for hockey fans. The stories are diverse and appeal to everyone.

I purchased this book for my nephew. He wanted this book awhile ago. I wasn't sure it was for his age level. I read some of the reviews and it seemed perfect for him. He told me he is reading a story a night and is enjoying the stories very much. He hopes they make more hockey books like this one.

This was a gift for a 9 year old boy and he loved it!
