Applied Mathematics For The Managerial, Life, And Social Sciences (Textbooks Available With Cengage Youbook)

Synopsis

A traditional book with a modern feel, market-leading APPLIED MATHEMATICS FOR THE MANAGERIAL, LIFE, AND SOCIAL SCIENCES, Sixth Edition, teaches by application and uses real-world examples to motivate students. It combines solid theory with innovative technology, includes a robust supplement package, and offers unmatched flexibility that caters to both traditional and modern practitioners. Accessible for majors and non-majors alike, the new Sixth Edition utilizes an intuitive approach that marries real-life instances to what would otherwise be abstract concepts. This is the focus of new and insightful Portfolios, which highlight the careers of real people and discuss how they use math in their professions. Numerous exercises ensure that students have a solid understanding of concepts before advancing to the next topic. By offering a powerful array of supplements such as Enhanced WebAssign, the new Sixth Edition enables students to maximize their study time and succeed in class.

Customer Reviews

I ordered this book for my daughter. I ended up having to return it because she was able to borrow it from a friend. The book arrived on time and was in perfect condition. I contacted the seller so I could return it and the seller replied right away. I was so impressed with the eagerness to help out and refund my money. This is a very professional and polite seller! I hope I get to order from them again soon!

I saved so much money by purchasing this book on vs. my school's book store! And you know what, there is no absolute difference between this book and the one sold at my school. Get this book folks! It beats retail price!

get the book in 1 week, it is clean inside, some torn corner on the hardcover, overall I am satisfied with this purchase, thanks.

its a good book.

It's very clean like a new one.I am satisfied with it.Verry good good good very good good good.

Expensive, but the book was in good shape.

Just as described in description
