Customer Reviews

The pictures are the best part. They are great for comparing swing positions. I show the pictures to my golf students to help them understand various concepts.

We ordered this book as a gift and it was in perfect condition even better than we expected. It came in a timely manner too.

All is good!

Matt Rudy was my boy-genius best friend growing up until he found success in New York. I hope all is well out there with all that's happening old buddy. No, I haven't read this book, but I'm sure it's just as good or better than his first.
