The Third Soul Omnibus One

Synopsis

Combined in one volume for the first time, THE THIRD SOUL OMNIBUS ONE contains the thrilling first five adventures of THE THIRD SOUL saga - THE TESTING, THE ASSASSINS, THE BLOOD SHAMAN, THE HIGH DEMON, and THE BURNING CHILD. Rachaelis Morulan is an Initiate of the Conclave, a mighty order of powerful mages, and soon must face her Testing to become a full Adept. If she fails, her life is forfeit, along with her soul. Corthain Kalarien was once an outlaw mercenary. Now he is a powerful, wealthy lord, revered as the hero who saved the nations from a barbarian horde. But his old enemies have not forgotten him. **ABOUT THE AUTHOR** Standing over six feet tall, Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works. Customer Reviews

This author got me hooked with the DemonSouled saga. I am happy to see his other works are just as good. Even though this is called an omnibus, this all read as a single book, to me. This story had me hooked with the testing and anxious to see the plot through to the end. I really enjoy this style of Sword and Sorcery. Moeller is definitely a worthy addition to this genre.

As I already wrote in my review to the first book, it's very good reading and it also applies to the other books from the first omnibus. But after reading it there are things that made me to give it only 4 stars:- it's said that these are 5 books of the series, but in fact it's only one novel divided into 5 shorter parts called books- too much typos and wrong words like some kind of automatic dictionary was swapping them under writer's hands. definitely some work of editor would come handy

Very readable. Has errors of grammar and text, but the story is good and an easy read which is a very nice escape from a stressful job. The characters are very relatable, even the male dominated stories are feminist in the way they treat the female characters...as equals. I love to read this author before I go to sleep. His stories are able to keep my attention and entertain me with the story and characters who are flawed but good, and bad, for the sake of bad. I'm super happy that I found this author!

The story had quite a few, "as you know..." speeches and the focus on slavery was strange and distracting. I found it hard to believe that every good person abhorred slavery (all they had ever known) and every bad person was pro-slavery. Then the author didn't even give a slave a speaking part in the book so what was the point?
