Battletech Warfare Kit (Battletech (Unnumbered))

Synopsis

Tired of hunting for a specific table in a rulebook? Wish you had heavy-duty reference cards for Total Warfare game play like that found in the 25th Anniversary Introductory Box Set? Then the Warfare Kit is for you! The Warfare Kit contains five heavy-duty cards of compiled tables from Total Warfare. Total Warfare is required to use the Warfare Kit (compiled tables reflect corrected third printing).

Customer Reviews

ALL the charts necessary for Battletech TT combat, organized properly. Not all the charts are necessarily needed, but they're there if you need them.

This is a great aid, it has all the tables and info you need for the game and it really speeds up play. I also like that the tables provide page numbers for quick reference to the rule book.

Some of my group found the cards useful. Not sure they are any more or less convenient than having the core books within arm's reach...

This collection of charts on heavy card stock make it quicker and easier to sort through (admittedly large) number of charts.
