Customer Reviews

This book clarifies everything you need to know about the 141 negative confessions. It is a good book for those who are open-minded or somewhat know the origin of religion in it's connection to Africa or ancient kemet in particular.

This book is very informative, been wanting this book ever since I came onto this path 11 yrs. ago and Gerald Massey is an excellent author!

Mr. Massey the guts to write the truth. I admire a man who can do that. I am a Massey fan.

Great Book
