Great guide: Alkaine foods and diet actually helps prevent cancer and has HUGE health benefits so for sure I would recommend this to anyone as it is so important to learn and have a clear diet in this day and age with mcdonalds and places like that around!

I totally agree with these all advantages who given in this book because i also using lemon and

water it is very fast way to control your weight. This book gives us so many advantages of fasting and i think fasting is very good for our health i really liked this book and i enjoyed a lot. its high recommended book. Thanks

Fasting alkaline diet for beginner is a good starter book for those interested in fasting as part of their weight loss. It gives you the information needed to fast properly. Detailed guide on how to use the fast diet to reach your long term weight loss goals.

In this book, there are some several juice recipes to help get you started on a healthy. Lemon and water is the most healthy way for you to lose unwanted pounds. I will try these for my over weight.

I received this book at no cost from for Kindle readers. It was an enjoyable read, and I look forward to reading more from this author.

The info could have been presented in a few pages. The advice to drink lemon water is good, though
